MARRIAGE At the Union Church, Kobe, Japan, on Monday, April 23rd, by the Rev. Walter Weston, M.A., English Chaplain, EDITH GREEN, younger daughter of Mr. J. W. Green, of Grosyener Edad, London, to Percy Mackengie Shinner, second son of the later Mr. John Skinner, of St. Leonards-on-Sea, Sugger,

HONGKONG, MAY 4TH, 1894.

then follow the step by divorce previously In connection with the projected reform in arranged. Such a state of affairs is the constitution of the Legislative Council anomalous. And what would be the posithe possibility of Hongkong being made a tion of the naturalised subject in his own military Government, a subject which has country should he wish to return thereto been discussed in a desultory sort of way for eitherfora visit or to reside there permanent years past, once more suggests itself. What. ly? In the case of Mr. Rossersu; for instance, Respectfully Sheweth :ever other changes may be made, it is to be should be return to the United States, would hoped the Colony will resolutely set its face his change of name be recognised or would against this. So far as the amount of work he still be Mr. Russett, liable to be called is concerned no doubt the General could upon to discharge the duties of an American very well afford time for the discharge citizen, such as service on juries, and entitled of the duties of the civil administration to exercise the rights of that status, such as well as of his military duties, and it as voting at elections? Also, in the event may at once be conceded that there was of his dying intestate, would his estate be and Settlement with upwards of a quarter of a Major-General Barker, the Right little fault to be found with the previous administered according to administration of General BARKER, who is or American law? - It would be once more for a brief term at the head of curious, doctrine to advance in Western derived from internal taxation. Hongroup is a ment was presented by the pupils, all of whom Courts that a man could change his nation. the Government, or with that of General ality merely by going through a form of CAMERON. Both of these distinguished marriage, with, possibly, an agreement that officers took an active and intelligent interest in their civil duties, and during the short periods for which they held the office. A change of nationality ought to be made did their best to further the interests of the dependent on a specific declaration, and not Colony. But these experiences, when the be a merely collateral consequence of some Generals simply followed along a beaten track other act. A draft Naturalization Law was 13.20 14.40 form no criterion of what might be expected submitted to the Japanese Diet in its second to take place were the Officer Commanding session, but failed to become law owing to the the Troops made the permanent head of the dissolution of the House of Representatives. Our Clarets, including the lowest priced, are civil administration. The military and Some vernacular journals now urge that a guaranteed to be the genuine product of the industrial spirit are in the main incomdraft should be submitted in the next sespatible; and should the office of Governor of the Colony be amalgamated with and merged in that of the General it would be the military and not the industrial be genuing when bought direct from us in the spirit that would dominate the administration. The military have hung like a mill ber of foreigners will be found desirous of stone round the neek of the Colony in its availing themselves of such a law, whether commercial development, and were th its provisions be liberal or illiberal; but it is General made Governor the weight of the certainly desirable the present state of things burden would be increased. In the estishould be altered. mation of the General, however desirous he might be of doing what was right according to his lights, the interests of the military

would naturally stand first. This would follow as the anevitable result of his own military training. It may be remembered that the construction of roads along the sole Hospital the numbers were 42 and 98 respechillside above the cantonments was strongly | tively. opposed by the military authorities, and it Per doz. Casar was not without a considerable amount will appear in Dumas's drama "Francill n" at of trouble that the late Sir ABTRUB KENNEDY was able to carry through the of this well-known play. making of Kennedy Road, while only recently that locality been obtained. The obstrucwhich has for many years past been recognised as urgently necessary in the public Fish, which lies a wreck several feet under water interests, is another instance showing how near Tamtoo Island, was sold by auction yesterthe development of the Colony is retarded. a large attendance of Chinese and the bidding We might also point to the objections ad- was fairly brisk. Eventually the wreck was Sample bottles and smaller quantities will be vanced by the military to the utilization of knocked down to Chi Wo for \$1,000. various eligible sites for building purposes, be genuine, when bought direct from us in the both at Kowloon and elsewhere in the Colony.

Once give the military supreme control in struction would be multiplied indefinitely? genuine requirements of the military must be recognised and complied with, but that is a very different thing from saying that the civil and commercial interests of the Colony must be subordinated to every passing whim peared that the defendant when arrested said in form, for in the Finance Committee, as well and fancy of the military staff, as they would be were the administration of the Governand the defendant electing to be dealt with summent entrusted to the General as a permanent | marily was fined \$150 or in default six months' arrangement. We know from past experience how unreasonable some of the demands of the military have been, and it would be folly on the part of the Colony to voluntarily held by the Hongkong Fire Insurance Comsurrender the protection that is afforded pany, Limited, on the property of Leung Shi the market. We recommend our customers not by the possession of a civil Governor against and others, against a debt of \$37.657.38. Mr. the multiplication and arbitrary enforcement Mr. V. H. Deacon's office) appeared in support of such demands. In time of war it may of the application for a final decree, leave having be found necessary to give the military supreme control, but in times of peace military domination would be almost the
